

Map List for CC3 Mods

9 December 2003

Following is a comprehensive list of operations and maps required to play downloaded campaigns for various mods created for CC3 the Russian Front.

With these mods and maps you can play CC3 in almost any theatre of WWII and beyond (Nam, Great War).

Thanks go to all who have created the mods and maps and of course the tools to make these tasks ever easier.

Special thanks to Gotic Srdjan's for creating the cc3opmap tool.

schrecken

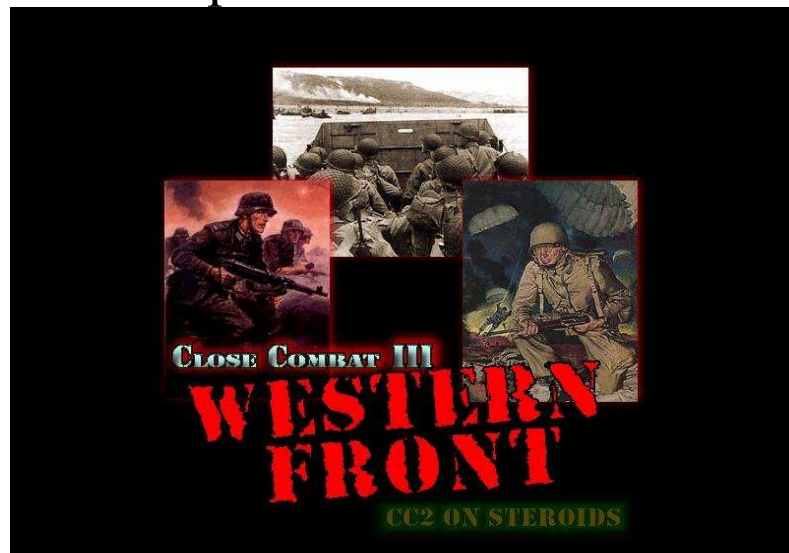

***Note : Maps are published in the order they will be played by the mod.. For your convenience only the maps listed for the first operation need be downloaded for you to test a mod, (eg. Download **GerFro1**, **aachen**, **Bjelrus**, **Arnhem** and **nijmbri**, to test the Eastern Legions Grand Campaign)
